

Beyond the Box provides full-service Relocation and Design management for residential clients and corporate executives. Because life is seldom static. Opportunity knocks, across town... or across the country! A senior member of your immediate or extended family is ready to transition to a new living arrangement. The empty nest becomes a chance to spread your wings . . . after you down-size. Whether you're relocating to another city or need help closer to home, Beyond the Box provides the efficiency and creativity you need to make moving on stress free.
